THE ARRANGAS BASTILE. tory, in a civilized land, makes the heart | there, if she is a State?

On the old road from Little Rock to potism are long continued, and the ORDS to harass and ruin the unfortunate white the Post of Arkansas, about thirty miles with fulsome sulogy long land the excel- people of the South. It is not ashamed James Garnery, in the seventy-minth year of from the latter place, at what has been lencies of Military rule, how long before even of that act of highway robbery, the lats acc. known for half a century as the Gum Vicros Hugo's terrible picture of the tax on cotton, levied as a penalty in open Pond, General Samuer, Mirroneux, an Roman people under Canacanta, contempt and defiance of the Constituold citizen of the State, some years ago Vitellius and Commonus will become tion, wrang from a starying people and in was true and seathen to the people of the South? We filehed by fraud from the earnings of the our Assistance. As a neighbor he settled and opened a farm. He died, tree of the people of the County and this children became the owners of copy his words, with a feeling almost of sable pets and proteges of the Freed-tallty and charity. As a patriot he looked to the place. Among these were a son and terror: "The sordiness of the slaves is men's Bureau. daughter. In August last the son had a direct result of the despot; a miasma Truly every age reproduces the crimes of our hopes, and the palladium of our libert very recently married, and the daughter, exhales from these crouching con- and follies of its predecessors, and the Asa Christian he died triumphantly rejoiding a young girl, lived with him. Some sciences, which reflects the master; human race remains what it was five in the hope of a blessed immortall worthless person who had intruded upon the public powers are unclean; hearts thousand years ago, except that a porher before, and whose presence was not are small, consciences shrunken, souls tion of it has a thin veneering of civilidesired by her, came again to the place, are puny. There is a deformity of base zation over its ineradicable barbarism. the vanities of earth fade one by one, until he when she was absent at a neighbour's ness corresponding to the ugliness of the The "pulpited Orthodoxy" of New some distance off, and hired a negro tyrant." Add only this, true only of England preaches the Gospel of Hate man, employed on the place, to send a our tyrants: " A Congress of free States and Revenge; and under the semblance Promised Land became clear, and he rejoint negro boy to tell her that a young lady subsidizes and arms the brutal negro to of patriotism in the high places of the that his pligrimage was about o'er. His lamp had called to see her, so as to induce her use him as an instrument for the en-State fester the four and cancerous ulcers. Was ready trimmed, his house was in order to return home. She questioned the slavement and degradation of the men of of a sordid corruption. But never before pers were all squared. His rocks were all a to return home. She questioned the slavement and degradation of the men found boy closely, did not believe his tale, and its own race," and the hideous picture was there a race of white men found bered. They will stand the test of the Mas boy closely, did not believe his tale, and its own race," and the hideous picture anywhere in the world with so low an award, its will be numbered with those or becomes complete. did not return.

In the afternoon her brother came home, learned what had happened, and provoked at the impudence of the negro Mr. Ould, being present but not assist- that in doing so we shall invite any cen- malice the Past affords no precedent.

complained to an agent of the Freed- it says in justification or defence of men's Bureau named McCurlocu, who its propositions: and will certainly not represented the matter to General SMITH, allow those who read the APPRAL and do BY TELEGRAPH in command at Little Rock, by whose not read the Avalanche, to suppose that order Mirchell and Ould were ar- it approves what it condemns.

the United States for the Eastern Dis-trict of Arkansas, for a writ of Habeas of Radicalism; and whom, in that case, Receipts at the sub-treasury, \$2,04,300 Corpus; but before it could be presented our neighbor will support, the next day, MITCHELL, a respectable. splicable to the present mis-government of the subjugated Southern Provinces of the United States. We quote the sentences, not continuously, but taking of the great Writ of Right, and the for the great Writ of Right, and the fulley granted the writ as to Ould. Gen. Shirth replied that he was imprisoned by order of Ganaral Oun, and refund as obey the writ. Ould slill remains in obey the writ. Ould slill remains in the Penilentiary. After the writ had interest in the Constitution, in and to enable him to have the benefit of witthat some of the members of "the witnesses. What the finding of "the Court " is, is not yet known. The Judge ordered a rule upon General Smith to show cause why he should not be punished for a contempt in disobeying the

the linited States with the cat, for inso-ience to a Lieutenant. And, finally, his corpse was hurried off to the cemetery, from the cell in which he was murdered, an hour before the time fixed for the financial, that no respect might be paid to his remains, a small piece of igno-minious malice that failed because the Sexton, who chanced to have been a Sexton, who chanced to have been a that unparalleled code of oppression, was agreed to.

Nothing of importance was done in the

young man named Garmann, who had people; whom the victors delighted to Howell, the mother-in-law of Jefferson belonged to a Johnson Club at Grand belonged to a Jourson Club at Grand trample upon, and were not at all afraid Glaize on White River, which had met in to provoke. They were not its effect and George D. Wise were yesterday in his office or rooms, in which at the time of their fears, but of their security, dioted by the Grand Jury for assault we speak of the registering commission. They who carried on this system, with intent to kill Edward A. Pollard. or something of that sort sat, was told looked to the irresistible force of Great The impression is almost universal here by some young men that they meant to put up in front of his office the United power. They were quite certain that no majority of the registered voters, the itates' flag of the JOHNSON Club, which he had kept, and across which was the name of Andrew Johnson. They did name of Andrew Johnson. They did so, and he, finding it there early in the served only to augment their torture. sorring, pulled it down, and perhaps Machines which could answer their purtore it somewhat in doing so. It was, boses so well, must be of an excellent we understand, his ewn flag. At any rate, it was in his keeping. For this log and popular, just in proportion as it each township or school district, one or
